

# Cancer Care Ministry Training

## Make a Difference in Countless Lives

Over 1.5 million Americans are diagnosed with cancer every year (American Cancer Society).

We all know someone affected by this illness.

Our Journey of Hope® is a cancer care ministry open to anyone who is ready to make a difference in the lives of those fighting cancer. We want to bring practical support, courage, compassion and above all **HOPE** to every person in our community affected by cancer.

*Be devoted to one another in love. Honor one another above yourselves. Never be lacking in zeal, but keep your spiritual fervor, serving the Lord. Be joyful in **hope**, patient in affliction, faithful in prayer. Share with the Lord's people who are in need. Practice hospitality. – Romans 12:10-13 NIV*

Make a commitment today to no longer allow these people to walk through this difficult journey alone. Register now for the Our Journey of Hope small group that will equip and empower you for this special outreach. Materials are provided free of charge.

### **Small group topics will include:**

- Why cancer care ministry is important
- What cancer is, and how it is treated
- The impact of cancer on spirit, mind and body
- What effective and compassionate ministry looks like
- Emotional, spiritual and physical needs of those dealing with cancer

The first trainees will graduate April 3, 2016.

Sign up now for the next training seminar.
